

Doctors safest choice for whitening

- ✓ Whitens the skin
- ✓ Reduces pigmentation
- ✓ Diminishes age spots
- ✓ Reduces uneven skin texture
- ✓ Restore you skins' natural glow

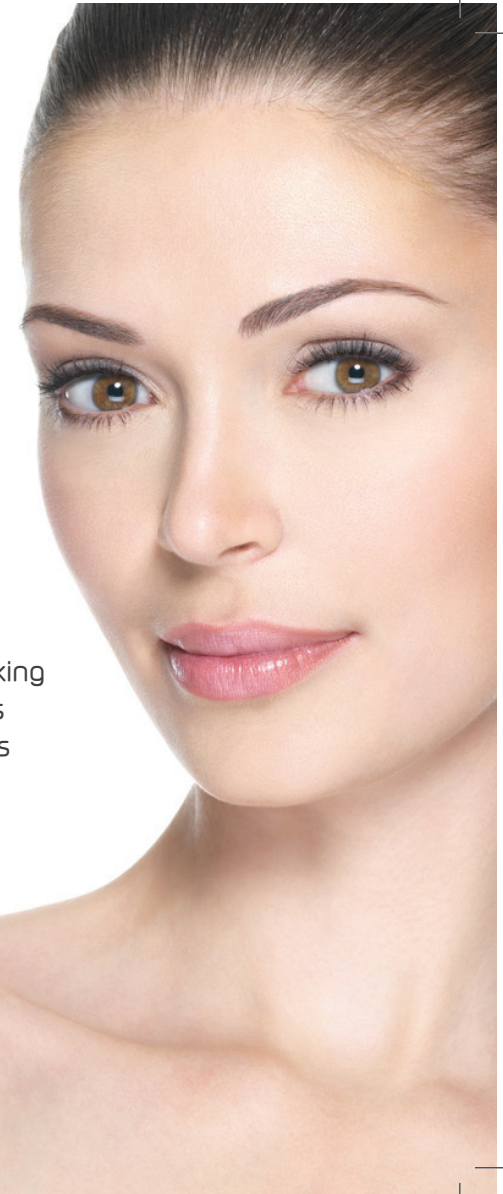

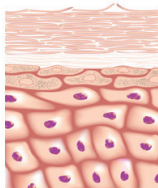

AGAS chemists have successfully isolated the active whitening ingredients, making it possible for whitening activation to begin as soon as the activator ingredients come into contact with your skin, ensuring 100% efficiency. Our activator allows maximum performance with no skin damage.

Activator + Gel Exfoliator = 100% Whitening Performance

Skin pigmentation

Healthy skin

AGAS formulas nourish and hydrate your skin with Dunaliella seaweed during the whitening process!
